\* denotes a suspended Registered Operation or Country Eligibility

A number of overseas countries require all establishments which prepare product for export to them, to comply with their requirements, and to be listed with them.

This requires certification by AQIS that the establishment meets the specific requirements of that country and the formal notification of its compliance to the relevant importing authorities.

Detailed below, is a complete list of those countries and operations for which prior approval is required.

Listed on the front of this certificate, under the heading 'COUNTRY LISTING' are the countries and operations extracted from the Department of Agriculture, Fisheries and Forestry Official Record of Registered Establishments, for which establishment number **1377** has listing.

If you have any queries regarding the information contained on this certificate please contact the AQIS officer in charge of your establishment or the Registration Co-Ordinator in the Area Office in which the establishment is located.
